Adhesives Age

Volume 32-1989 — Numbers 1-13

Editor's Note: This year's index covers material from the January 1989 through December 1989 issues of ADHESIVES AGE. Each entry is followed by the month (or Dir, indicating the Directory issue) and the page number of the issue in which it appears.

Articles can be found under the Article subject heading and other appropriate subject headings. Authors are listed under the Author subject heading. News items have individual entries or are suitably cross-referenced.

Subject headings include Adhesion Society, Adhesive and Sealant Council, ADHESIVES AGE Directory, Adhesives and Products, Adhesives Manufacturers Association, Adhesives Overseas, Articles, ASTM, Authors, Book Reviews, Chemicals and Components, and Consultant's Corner.

Also included are Editor's Note, Education, Environment, Epoxies, Equipment, Guest Commentary, Hot Melts, Literature, Market Studies, Meetings, Mergers and Acquisitions, Patents, Pressure Sensitive Tape Council and Pressure Sensitives.

Other subject headings are Radiation Curing, Sealants, Society for the Advancement of Material and Process Engineering, Society of Manufacturing Engineers Adhesives Council and TAPPI.

Call for Papers

Adhesives '90 Conference and Exposition

Oct. 2-4, 1990
Schaumberg, Ill.

The Society of Manufacturing Engineers, in association with ADHESIVES AGE, is soliciting application case histories and technology papers that advance the use of adhesives in manufacturing.

Abstracts due: March 1
Papers due: July 20

Abstracts and inquiries should be sent to Patricia Jones; Conference Dept.; SME; One SME Dr.; Dearborn, Mich. 48121-0930; 313-271-1500, ext. 377.
